Hon. A. P. Stone, formerly Treasurer of the State of Ohio, but more recently Collector of Internal Revenue for the Columbus District, was found dead in his bed a few mornings since. An examination of his books proves that he is a defaulter to the Government for upwards of \$90,000. gers to and from the Fair at half price. His official bond is ample, and the Government

will lose nothing. Mr. Stone was regarded as a gentleman of high character, has held namerous public positions, and enjoyed the confidence and respect of the people \$2.50 per annum. Address T. S.
